

*Women's Health Consultants  
provides the highest standard of care to our patients  
with open communication, sensitivity and confidentiality.  
We empower our patients with knowledge to promote  
current overall health and future well-being.*

The Physicians and staff at Women's Health Consultants would like to welcome you to our practice. We are dedicated to preserving the health and well being of every patient through routine health maintenance, preventive medicine and addressing concerns regarding serious illness. Our office is staffed and equipped for your comfort and support, with emphasis on personal service and respect for a patient's individuality, dignity and confidentiality.

We have included a set of new patient forms for you to fill out in advance of your appointment to expedite your check in process. Please complete the attached forms and bring them with you to your upcoming appointment along with your insurance card, identification and a referral if one is necessary. Please call our office at (248) 465-1200 at least 24 hours in advance if you need to reschedule or cancel your appointment to avoid a late cancellation fee.

Thank you for choosing Women's Health Consultants to address your medical needs. We look forward to meeting you and hope to make your visit as comfortable as possible by providing you with the highest level of care. If you have any questions regarding our services, please call us at (248) 465-1200.

Sincerely,
