

Keri J. Thompson, D.O., FACOG

Licensure and Board Certification

Member of the American Congress of Obstetricians and Gynecologists
Member of the American Osteopathic Association

Office Hours

Monday, Wednesday, Thursday and some Saturdays

Care Philosophy

My approach to patient care is compassionate, respectful, and patient centered. I encourage patients to actively participate in their care and educate them to help make informed decisions.

Special Interests

Routine gynecological and pregnancy care, high risk obstetrical care, and non-invasive gynecological surgical procedures.

Education and Post Doctoral Training

Residency, Providence Hospital
Michigan State University College of Osteopathic Medicine
