

David I. Lipschutz, M.D., FACOG

Licensure and Board Certification

Board Certified by the American Board of Obstetrics and Gynecology
Fellow of the American College of Obstetrics and Gynecology
Licensed to Practice Medicine, State of Michigan

Office Hours

Monday, Tuesday, Thursday

Care Philosophy

My primary goal is to have well-informed patients who can then participate in wise treatment plans.

In this time of rapidly expanding knowledge, although the questions and concerns of patients remain the same, the answers change. This makes it even more important that the physician and the patients stay informed, and it is equally important they communicate with each other.

Special Interests

General gynecology, alternatives to hysterectomy, and menopausal medicine

Education and Post Doctoral Training

Residency, Sinai Hospital of Detroit, 1963-67
University of Michigan Medical School, M.D., 1963
Wayne State University, B.S., 1959

Awards and Honors
